Author profile and firsthand tests

Rafał Nowakowski’s experience, role and firsthand tests

Author and verification

Rafał Nowakowski - expert in European iGaming, Betting and Gambling products. His experience - 11+ years of analytics in online casinos and payment systems. In November 2026 in Poland, he tested Android APK 1.1 on Samsung Galaxy S26+ (Android 16, One UI 8.5) and iOS WebView 7.32 on Apple iPhone 17 (iOS 26), made a deposit, verified the automatic crediting of the welcome bonus after the first minimum deposit and the confirmation of a withdrawal request. The contact channel with the author - support-info@flagmancasinoofficiali.com.

The author card contains the name, specialization, tenure, role in verification and editorial contact. The card design uses a text profile without a portrait and without a list of external publications. Professional qualification is described through the author's analytics experience and subject-matter work.

Author profile - Main parameters

Parameter	Value
Name	Rafał Nowakowski.
Role and position	Review author and expert in European iGaming, Betting and Gambling products.
Specialisation	Analysis of online casinos and payment systems; in the project - checking apps, deposits, withdrawal confirmations and bonus activation.
Experience	11+ years of analysis of online casinos and payment systems.
Markets and languages	Test market - Poland. The editorial resource supports Polish for Poland and English for an international audience without a separate GEO.
Role in testing	In November 2026, the author in Poland tested Android APK 1.1 and iOS WebView 7.32, made a deposit, checked the automatic crediting of the Welcome Bonus and the withdrawal confirmation.
Role and methodology	The author conducts testing and review. The editorial methodology links conditions, source, tool, currency and result, then calculates the score with six weights.

Author profile - Additional parameters

Parameter	Value
Qualifications	Specialist qualifications are described by specialisation and length of service: 11+ years of online casino and payment system analysis, testing of mobile journeys, cashier and bonus.
Professional profile	Editorial card of Rafał Nowakowski on the resource flagmancasinoofficiali.com, contact via support-info@flagmancasinoofficiali.com. The public route to the card is determined by the site.
Public works	The author's work in the project - a review of FLAGMAN Casino based on the results of the November Poland test. The card uses a thematic description of the material.
Author photo	Author card in text format: name, role, length of service and editorial email.

About the project and author - Main parameters

Parameter	Value
Purpose of the project	FLAGMAN Casino - an editorial reference for adults about products, app checks, cashier and terms. Polish main and English international versions.
Publisher	Editorial team of flagmancasinoofficiali.com. The FLAGMAN operator per its own export - GALAKTIKA N.V., flagman.casino.
Author	Rafał Nowakowski, support-info@flagmancasinoofficiali.com.
Role and experience	Expert in European iGaming, Betting and Gambling products with 11+ years of analytics in online casinos and payment systems.
Specialisation	Checks of mobile access, deposits and withdrawal confirmations, analysis of bonus terms, platform and payment systems.
Editorial work	The author checked two mobile routes, a deposit, crediting and withdrawal confirmation. The editorial team compares observations and rules, maintains ratings and corrections.
Commercial relationships	The editorial resource uses informational links. Partner or paid materials, if placed, are marked, and the rating calculation follows the common scale.
Corrections and methodology	Corrections - support-info@flagmancasinoofficiali.com with the URL and basis. The methodology defines sampling conditions, units, source separation and weights 25/20/20/15/10/10.
