Editorial contact and corrections

Editorial contact details, corrections and response windows

Contacts, corrections and terms of use

The editorial team accepts letters in Polish and English at support-info@flagmancasinoofficiali.com. For a correction, the material URL, the disputed fragment, the correction and the basis are provided. For a data question, a reply email and a description of the request are sufficient. For a claim regarding the material, the URL, the disputed use and the requested action are provided. Useful email subjects: “Correction”, “Personal Data” and “Right to Material”. Forms and public comments are absent in the adopted configuration. Email reaches the editorial team, which verifies the source and communicates the decision. The target response window is up to 3 business days from receipt of sufficient information; processing hours - weekdays 09:00-17:00 Europe/Warsaw. Payments, the gaming account, KYC operations and a bet slip dispute are handled by the operator through its own channels.
