Esports - Main parameters

Parameter	Value
Esports availability	Sports → Esports is available in the saved Polish profile in PLN, with All, All Live, Upcoming and Outrights tabs.
Disciplines	Dota 2, Counter-Strike 2, League of Legends, VALORANT, Overwatch 2, Honor of Kings, Crossfire, FIFA, FIFA.Volta, E-ATP, NHL and Standoff 2 in the Esports sections.
Tournaments and formats	BLAST Slam and DreamLeague: Division 2 (Dota 2), Stake Ranked (CS2), Champions Tour: Kickoff Americas (VALORANT), OWCS: Asia (Overwatch 2). First, second and third map stages are visible.
Number of events	At 21:25:11 UTC+4 on 20.11.2026 - 198 All Games events, 38 live and 160 Upcoming. CS2 49, Dota 2 12 and VALORANT 6 - discipline counters for the same snapshot.
Prematch and live	In the Dota 2 snapshot - 5 live/7 Upcoming, CS2 - 14/35, VALORANT - 0/6. The zero live counter for VALORANT refers to the moment, not to the overall availability of the mode.
Betting markets	Win1/Win2, map totals and handicaps for BLAST Slam and Stake Ranked, a separate 1X2 and time markets in FIFA. Map and series statistics are displayed separately.
Odds formats	Decimal format in the saved cards, for example Team Liquid - DO KONCA Win1 1.22 and Win2 4.37. Settings allows selecting the format and the price update rule.
Bet limits	The Sports FAQ gives a minimum of 1 PLN; the maximum is determined by the platform for the bet slip. In a test of a regular FIFA bet, 17 PLN at odds of 2.31 is the calculation input, not the maximum amount.
Streams and match center	Live Match Tracker shows the series and map score. Events with PLAY allow viewing after logging in per the FAQ; the specific broadcast marker is checked on the match card.
Settlement rules	The FAQ provides for a 1.00 return upon postponement/abandonment without resumption within 48 h, except for outcomes already determined. The calculation takes into account the specific map or series and the published result.

Esports - Additional parameters

Parameter	Value
Margin	FIFA ESportsBattle: Liverpool - Real Madrid, pre-match 1X2, 21:23:04 UTC+4: (1/2.31 + 1/4.70 + 1/2.20 − 1) × 100% = 10.02% over 100%. For Dota 2 BLAST Slam Team Liquid - DO KONCA Win1/Win2 1.22/4.37 - 4.85% in a separate two-way market at 21:25:11 UTC+4.
Depth of the markets	CS2 Stake Ranked, Sangal Esports - Luminosity, 20.11.2026 21:25:11 UTC+4: the card shows +307 additional markets and the main Win1/Win2, total 3.5 and handicaps 1.5/−1.5. This is the depth of the specific match and moment.
