Live casino tables, games and limits

Live table snapshots, game formats, languages and limits

Memos on live games and table games

The operator's text from the catalog section info cards.

Live Games

The Live Games is a live stream from a studio or traditional physical casino, where real dealers operate the game and communicate with players online. Bets can be placed directly from the device.

Roulette

A realtime game in which several cameras show every movement of the ball. Some dealers will accept bets in bonus money.

Roulette by country

The table is chosen according to the language the dealer communicates in. Only bets in real money are accepted.

Blackjack

Types of one of the world's most popular card games. Bets are accepted in real and bonus money.

Poker

The most popular types of the card game with a live dealer. Bonus money are accepted.

Game shows

A live show with real dealers: wheel of fortune, dice, card games, etc. There are games where both real and bonus money are accepted.

Baccarat and Sic Bo

Various types of popular card and dice games. There are tables where bets are accepted in real and bonus money.

VIP Casino

A section of the best card games, where the player must have a minimum amount in their account set by the provider in order to play.

Table Games

A section where the best types of the most popular table games are presented.

Roulette

Popular types of roulette: European, French, Russian, American, mini-roulette, etc. Some tables accept bets in bonus money. There are also games with jackpots.

Poker

The most popular types of the game with the options of betting both real and bonus money. There are also games with jackpots.

Blackjack

Various types of the card game with bets accepted both in real and bonus money.

Baccarat and Sic Bo

Types of the popular card and dice games with bets only accepted in real money.

Craps

A mini section of dice games where only bets in real money are accepted.

Live

Selection of live games; limit, dealer, seats and modes vary by table and moment.

Game	Provider	ID	Card categories and tags	Modes
Busted Or Bailed	Playtech	165516	show, live	RM

Limits shown on the interface cards in zlotys, and the player counts on the same cards. The structured table data and the recalculated storefront are presented in the corresponding PLN scales. For example, Crazy Time has 0.5-50000 PLN in the table data, while the card shows 0.41-40,592 zł. The recalculation method in the interface has been confirmed.

Live casino - Main parameters

Parameter	Value
Table and show formats	Live Roulette, Blackjack, Poker and Game Shows; examples Lightning Roulette, Blackjack Crown, Casino Hold'em and Crazy Time.
Key studios	Evolution, Pragmatic Play Live, Live Vegas, Winfinity and Imagine Live from the saved live selections.
Number of tables or studios	In the Live Casino → Popular Live Games snapshot there are 14 cards, including several separate named tables. Additional Roulette, Blackjack, Game Shows and Poker are also shown as 14 cards each in their selections.
Examples of tables and shows	Crazy Time and Lightning Roulette (Evolution), Roulette 1 and Sweet Bonanza Candyland (Pragmatic Play Live), Live Roulette (Live Vegas).
Min. bet	Crazy Time (Evolution) - from 0.50 PLN; Lightning Roulette (Evolution) - from 1 PLN in the stated Polish configurations.
Max. bet	Crazy Time (Evolution) - up to 50,000 PLN; Lightning Roulette (Evolution) - up to 100,000 PLN for the same saved configurations.
Broadcast language	Crazy Time and Lightning Roulette - English in the snapshot. Blackjack Classic Ru and Russian Royal Blackjack are presented as separate Russian-language tables.
Schedule and seats	At 21:04:31 UTC+4 on 20.11.2026 Crazy Time and Lightning Roulette were marked as open. The number of free seats changes in the active card and is separate from the number of viewers.
Mobile streams	For Blackjack Crown on Galaxy S26+ a mobile live stream opens via APK 1.1. On iPhone 17 Webview 7.32 is used when the table allows the corresponding session.
Viewing and demo	The live lobby can be viewed separately from placing a bet. Crazy Time and Lightning Roulette are marked RM; viewing an open table is not the same as having a credit demo mode.
Side bets and rules	Lightning Roulette highlights number hits with a multiplier in a separate mechanic. By comparison, Crazy Time uses wheel sections and separate game shows.
Contribution to wagering	Under the general rules live, roulette and table games give 0% contribution. A separate general FAQ note states 5% when these games are eligible. For the Welcome Bonus the condition of the active offer applies; Real Money and Jackpot restrictions remain.

Live casino - Additional parameters

Parameter	Value
Commission on the main bet	In the verified baccarat Banker the commission is 5% on profit: at 25 PLN it equals 1.25 PLN, the payout with the stake is 48.75 PLN. This is a separate format from Blackjack Crown.
Stream loading speed	In the verified profile Galaxy S26+ / APK 1.1 / Wi-Fi 5 GHz, 5.2 s from opening the Blackjack Crown card to the first stable frame of the stream.
Bet Behind format	Bet Behind in the verified blackjack format is a bet on the outcome of another participant's seat, if the table shows this mode. For Crazy Time and Lightning Roulette this route does not apply, the bet goes to one's own choice in the table interface.
