No-deposit offers and free rewards

No-deposit eligibility, reward conditions and restrictions

No deposit sports betting bonus

- It is mandatory to pre-fill personal data in the player's profile before receiving a no deposit sports betting bonus. If the profile is filled out after receiving a no deposit bonus, the bonus received will be cancelled.
- In the event of receiving a no deposit sign-up sports betting bonus, it is only possible to withdraw bonus money after you make a deposit equal to the bonus amount on your account while submitting the withdrawal request, but no less than 1000₽, 10€, 10$, 400₴, 6000₸, 100kr, 100₺, 50zł, 20CAD, 20AUD, 20NZD, 20₼, 100BRL, 2500ARS, 500MXN, 125PEN, 12500NGN, 375ZAR, 10000CLP, 1000₹, 100DKK, 100SEK, 150RON, 4500HUF, 0,0005BTC, 1500¥, and after you play the deposit three times.
- A player can be awarded a no deposit sports betting bonus for playing activity or some special achievements on the project. Any no deposit bonus may only be withdrawn after its full wagering.
- At a single home address, IP address, device, phone number and payment system account (QIWI, Skrill, PAYEER, credit card, etc.), bonuses can only be received by one user.
- The FLAGMAN Sportsbook platform can set limits on the maximum amount winnings received after wagering a no deposit sports betting bonus. If the amount of winnings exceeds the limit, it will be deducted from the game balance. You can familiarize yourself with the maximum amount of winnings for a specific bonus in the bonus description on the website or by contacting our support service.
- In the event of a withdrawal of funds received from a no deposit sports betting bonus, the FLAGMAN Sportsbook platform reserves the right to request documents to verify the account. As well as an additional check, at the discretion of the administration, documents confirming the place of residence may be requested, for example, a utility bill, which should be no more than 6 months.
- The FLAGMAN Sportsbook platform has the right to refuse to activate a no deposit sports betting bonus to a player whose winning payments exceed the sum of deposits for the entire game period or for the last calendar year.
- The Free Spins social story contained a Telegram card with the invitation "Join channel". On the Social Bonus page, the response to the card request is "Item not found". The general terms limit activation to one no-deposit bonus from social networks per calendar month and allow restriction or cancellation if the total deposit is less than 950 zł in the 30 days before activation. The number and value of spins for a specific card are confirmed.

Bonuses and promotions - Main parameters

Parameter	Value
Welcome package	Casino Welcome Bonus - 150% on the first qualifying deposit from 50 PLN, up to 1 500 PLN, ×45. In the sports Welcome Free Bet card, 25%, first deposit from 50 PLN, minimum credit field 50 PLN and maximum 500 PLN are set separately.
Participation conditions	Qualifying first deposit in PL/PLN and availability of the promotion in the profile. Casino and sports offers have separate mechanics, and the bonus selection is visible in the form.
Types of credit	The Casino Welcome Bonus is credited as bonus funds; the sports offer issues a free bet. Reload Spin is a standalone offer.
Deposit for the bonus	50 PLN - the casino Welcome Bonus threshold. Cashier minimums according to the expert: Visa, Mastercard and USDT TRC20 from 50 PLN, Bitcoin from 40 PLN. 40 PLN does not clear the bonus threshold.
Percentage and maximum	Bonus min(1.5 × D, 1 500 PLN) for the first qualifying deposit D ≥ 50 PLN. 50 PLN gives 75 PLN; the maximum is reached at 1 000 PLN.
Free spins and play	In the Casino Welcome Bonus PL, a separate FS reward is not provided by the card. Reload Spin is a separate promotion with Hot Chilli Bells spins by BGaming, 2 PLN per spin in the PLN profile.
Activation and code	In the author's episode, it was activated and credited automatically after the first minimum deposit. For the saved Welcome Bonus variant, no code is required in the parameters.
Bonus wagering	The card multiplier is ×45. Under the Terms, the applicable base is determined by the offer. With a deposit of 50 PLN and a bonus of 75 PLN, the qualifying turnover calculated on the “bonus” base is 3 375 PLN; on the “deposit + bonus” base - 5 625 PLN. At the cap of 1 500 PLN bonus, the turnover on the “bonus” base is 67 500 PLN.
Free spins wagering	For the Casino Welcome Bonus in PL, only the cash bonus part. For other FS packages, the winnings wagering applies to the conditions of the respective package, separately from the ×45 cash reward.
Promotion periods	The right to receive the Welcome Bonus is linked to the first eligible deposit. After crediting, the period and progress apply according to the active card in Balance. 72 hours from activation are stated in the FAQ for a separate route of deposit FS by promo code.
Game contribution	Under the general rules, eligible regular slots contribute 100%; Real Money, Jackpot, slots with adjustable volatility and other games contribute 0%. A separate general FAQ note states 5% for eligible table games, roulette and live. For the Welcome Bonus, the conditions of its card apply.
Max. bet	General PL rules: in the absence of a special restriction, up to 25 PLN of the stake amount counts towards the bonus. This is the contribution indicator for wagering; the technical stake depends on the game.
Withdrawal limit	Maximum winnings per the card - ×10 of the credited bonus, 750 PLN with a bonus of 75 PLN. Cashier limits apply to a separate withdrawal operation.
Additional promotions	Second Bonus, Third Bonus card, Reload Cash, Reload Spin, sports free bets, FLAGMAN Club levels, cashback and the Lucky League tournament. Their window, access conditions and currency are defined separately per offer.
