Czym są gry z funkcją Bonus Buy i dlaczego warto w nich kupować rundy bonusowe?

W grach Bonus Buy możesz kupić rundy bonusowe niezależnie od czasu trwania sesji gry i wyniku zawartych zakładów. Kupienie bonusu pozwala przejść od razu do bardziej ekscytującej części gry. Szanse na dużą wygraną również rosną dzięki wysokiemu RTP.

Dlaczego nie mogę zawrzeć zakładu w grze?

1. Upewnij się, że masz wystarczająco dużo pieniędzy na koncie.
2. Upewnij się, że nie próbujesz obstawiać bonusowych pieniędzy w automatach na prawdziwe pieniądze i Jackpot.

Dlaczego nie mogę zawrzeć zakładu w grze Evolution?

Może być kilka powodów:

1. Na Twoim saldzie nie ma pieniędzy na obstawianie.
2. Wybrałeś grę Evolution, której nie ma w naszej bibliotece, za pośrednictwem strony dostawcy.

Moje gry się nie ładują. Co powinienem zrobić?

1. Użyj najnowszej wersji przeglądarki Google Chrome, aby strona działała poprawnie.
2. Wyczyść pamięć podręczną i pliki cookie w przeglądarce, a następnie zaloguj się ponownie na swoje konto.
3. Użyj jednego z aktualnych luster strony.

Co to jest pamięć podręczna przeglądarki i jak ją wyczyścić?

Twoja przeglądarka gromadzi w pamięci podręcznej dane tymczasowe (obrazy, filmy itp.), aby pomóc stronom internetowym i aplikacjom ładować się szybciej. Działa jak bank pamięci, ułatwiając lokalny dostęp do danych zamiast ponownego ich pobierania za każdym razem, gdy odwiedzasz stronę internetową lub otwierasz aplikację.

Jeśli nasza strona nie wyświetla się poprawnie, spróbuj wyczyścić pamięć podręczną.
